**Subject - Residential Project: "DEST Building and enhancing Successful Teaching and Learning"**

Dear Sir,

The Amity Institute of Behavioural and Allied Science, of Amity University Rajasthan would like to invite Prof. Sharon Silverman, Fulbright Specialist, on the Residential Project: "*DEST Building and enhancing Successful Teaching and Learning*" for 21 days. This project would enable the faculty, staff, students (Under Graduate and Post Graduate level) to interact and address the needs and challenges of developing and sustaining teaching learning excellence and student success, best practices, and to evolve the innovative approaches by engaging with Fulbright Specialist Prof. Silverman who specializes in this field. All the faculty members of AIBAS would collaborate in this project. All faculty, staff, and students of AUR would benefit by this collaborative project.

Amity University Rajasthan, Jaipur agrees to bear the cost of stay and provide staying facility to Prof. Silverman in the University Guest House Campus and other departmental assistance and facilities as required / mentioned in the Project Cost Share Commitment to execute this project.

Yours truly,
